Product Information

Product Name	Ambra Reale – Brushed 60 Grit
Category	Limestone Slabs, Tiles
Color	Yellow
Finish	Brushed

Technical Specifications

Size	Custom dimensions and thicknesses

Description

Ambra Reale – Brushed 60 Grit is a warm golden limestone threaded with fine russet veining, finished with a 60-grit brush for a soft, grippy matte. Hand-selected at Citadel Stone’s Middle East quarry, its amber-to-cream range warms patios, courtyards, pool surrounds, and garden walks — and carries the same Mediterranean glow indoors.
