Description

Black Basalt Landscape Curbing from Citadel Stone is the definitive natural stone curbstone for projects where structural permanence, zero maintenance, and architectural visual quality are the non-negotiable requirements. Sourced exclusively from Citadel volcanic deposits in the Middle East and precision-cut to exact dimensional tolerances, it combines compressive strength exceeding 30,000 PSI with near-zero water absorption below 0.8% and complete resistance to de-icing chemicals, snowplow impa...
