Citadel Stone

Product Specification Sheet | Generated November 12, 2026

Product Information

Product Name	Crema Aurora – Sawn / Natural Finish
Category	Limestone Slabs, Tiles
Color	Cream
Finish	Diamond Sawed

Technical Specifications

Size	Custom dimensions and thicknesses

Description

Crema Aurora with nothing in the way: the sawn finish leaves the blade’s level, quietly matte face, showing the stone’s brown-and-grey drawing at full contrast on its cream ground. For floors, feature walls, and calm terraces — any size cut to order, quarry-direct, first sample free.
