Product Specification Sheet | Generated November 12, 2026

Product Information

Product Name	Fossil Beige – Brushed 24 Grit
Category	Limestone Slabs, Tiles
Color	Cream
Finish	Brushed

Technical Specifications

Size	Custom dimensions and thicknesses

Description

Real seabed, cut for outdoors: Fossil Beige is a shell-and-coral fossil limestone from the Middle East’s quarry belts, and the coarse 24-grit brush raises its fossils into a high-grip matte relief. Any size or thickness cut to order for patios, pool surrounds, walkways, and beyond.
