Product
Information

Product Name	Ocean Reef Leathered Shell Stone
--------------	----------------------------------

Category	Limestone Slabs, Tiles
Finish	Leathered

Description
Citadel Stone’s Ocean Reef Leathered Shell Stone Pavers bring the leathered surface specification of our signature coral-born fossiliferous limestone into the natural-stone hardscape and interior surface market. The leathered finish is a refined textured surface treatment that combines the tactile softness and slip resistance of textured stone with the visual refinement of a controlled, even surface character — appropriate for both indoor and outdoor installations across the warm-climate USA mar...
