About Us

Marvelous Stone Trading Company, a subsidiary of Arad Branding Holding, has been working on building stone products since 1398 to promote the business in a safe environment for all countries around the world, especially Iran's neighbors.

Since the world's stone reserves are around 15 billion tons and Iran is the seventh largest reservoir of stone in the world with 4.7 billion tons of stone, this divine blessing should be used greatly to offer services to humanity.

About Us

Therefore, Marvelous Stone Trading Company has always made every effort to recognize this product in Iran which is extracted and offered to the world with the highest quality and standards and to take a step towards increasing the Iranian business reputation.

Today Marvelous Stone Trading Company is also proud to announce that it is capable of supplying all kinds of premium and high quality stone.

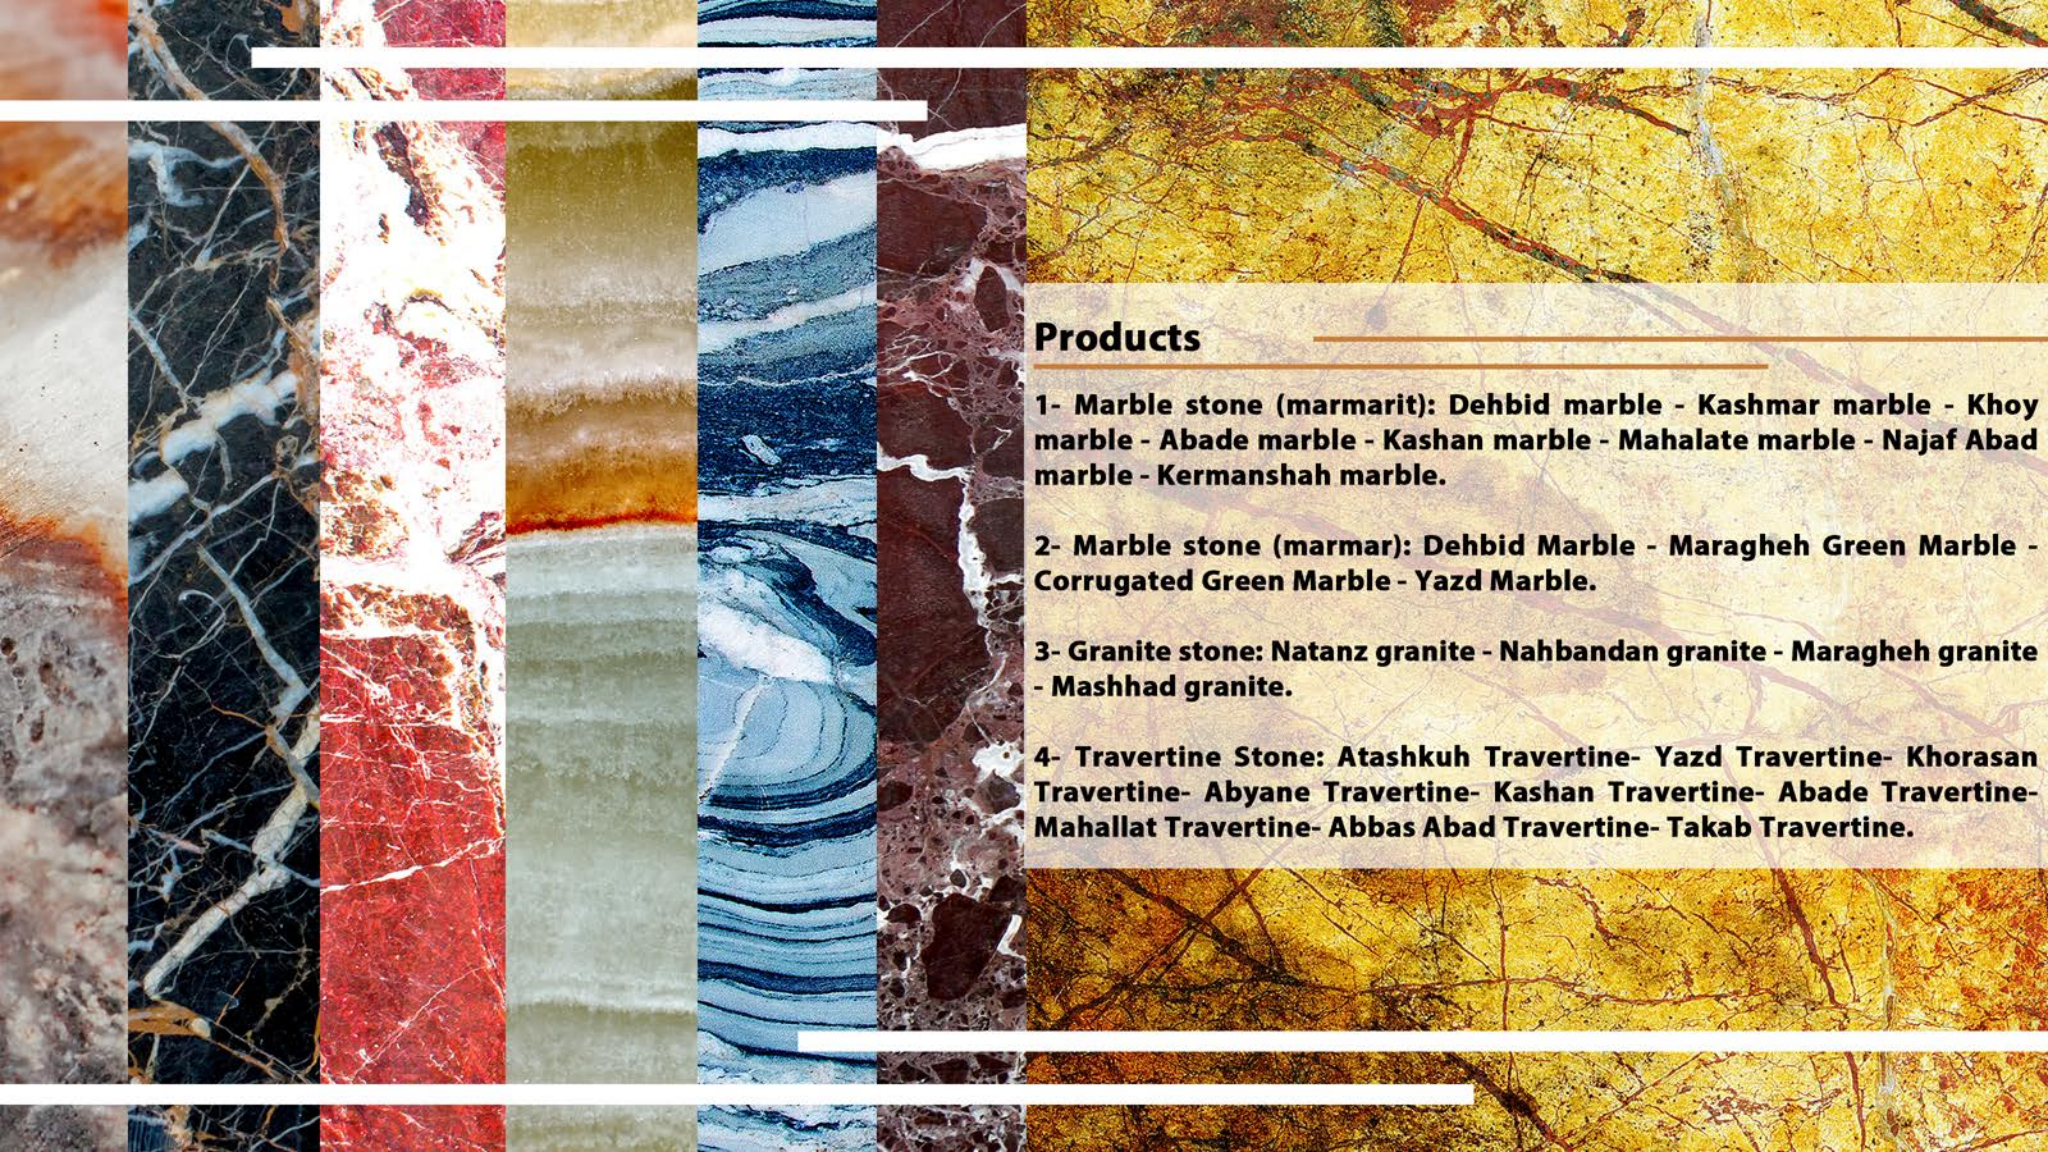

Goals

The most important goals of Marvelous Stone Trading Company
